

# STAINLESS STEEL CLEANER

EASY-TO-USE STAINLESS STEEL CLEANER SPRAY FOR PUTTING THE SHINE BACK

## PRODUCT DESCRIPTION

Stainless Steel Cleaner is an easy-to-use spray, specially designed for putting the shine back onto stainless steel surfaces. Ideal in combination with Vetvretter® Keuken.

## FIELD OF APPLICATION

Suitable for stainless steel surfaces such as splash plates, hot plates and worktops. Kitchen equipment including microwaves, ovens, fridges and extractor hoods.

## PROPERTIES

- Easy removal of surface dirt and fingermarks from all stainless steel surfaces
- Provides a protective layer giving a long-term, sparkling shine
- Easy: rinsing is not necessary

## PREPARATION

**Surface Requirements:** Do not use on surfaces that come into direct contact with food.

## APPLICATION

### Directions for use:

Degrease (if necessary) the surfaces to be cleaned with Degreaser (Kitchen variant). Rotate the spray head a quarter turn to ON. Spray undiluted onto the surface to be cleaned. Spread it over the surface with a (lint-free) cloth or kitchen paper. Dry the surface off with a (lint-free) cloth or kitchen paper. Repeat this process if necessary. Rotate the spray head to OFF after use. Cleaning kitchen equipment: spray onto a damp (lint-free) cloth, rub it over the surfaces to be cleaned (remember to remove the plug from the electricity socket) and then dry it off.

**Points of attention:** Before starting it is recommended to test the product on a small, unseen area.

## TECHNICAL SPECIFICATIONS

Colour:	Transparent
Density approx.:	0,99 g/cm <sup>3</sup>
pH-value approx.:	7

## STORAGE CONDITIONS

Keep in a dark, cool place, in an upright position, during storage or transportation.

Our advice is based on extensive research and practical experience. However, in view of the large variety of materials and the conditions under which our products are applied, we assume no responsibility for the results obtained and/or any damage caused by the use of the product.
